

WEYMOUTH'S PROPOSED GAS COMPRESSOR STATION

MASSACHUSETTS SITING BOARD PUBLIC HEARING

WHEN

May 27, 2015
7pm-10pm

WHERE

**Abigail Adams
Middle School**

89 Middle St. Weymouth, MA

ABOUT · The Energy Facilities Siting Board ("Siting Board ") is a nine-member review board charged with ensuring a reliable energy supply for the Commonwealth with a minimum impact on the environment at the lowest possible cost. The Siting Board 's primary function is to license the construction of major energy infrastructure in Massachusetts, including large power plants, electric transmission lines, natural gas pipelines and natural gas storage facilities.
